It was an exciting day in December when I found this beautiful black and white heifer. She was the last calf we got out of Mi Tierra Sweetheart CL. She will never be a large cow, but she is sporting some long horns for her age. I have her running with our young bull, HL Apache Cowboy. I am expecting a super nice calf a little before Christmas 2022. Panda is not really for sale; however, if someone offers me \$5,500.00, I will most likely accept it.
